

Unsubsidized Athletic Trainer

Experience: Bachelors or Master's degree in Athletic Training (or related degree) with professional experience in youth, collegiate, or professional athletics. Active status as BOC Certified Athletic Trainer.

The Role: The Athletic Trainer is responsible for the prevention and care of athletic injuries; the maintenance of the health and well-being; and the recuperation and rehabilitation following injury of all members of **the specific sport assigned for** Team USA participating at the Games. The Athletic Trainer works in direct partnership with the Team Physician(s) as a member of the medical team.

Additionally, it is the expectation that the Athletic Trainer will see themselves as a member of the Team USA delegation, willing to participate in activities beyond athletic training responsibilities. Must be willing to work as a team player, along with coaches and team managers, while understanding the fluid nature of an international athletic competition. Must possess the ability to adjust plans while maintaining a high level of flexibility.

Responsibilities:

- Prevents, evaluates, and treats athletic injuries while insuring comfort and safety.
- Prepares athletes for activity with stretching, preventative taping, and bandaging techniques.
- Prepares rehabilitation plan for injured athletes and schedules treatment times. **Times can be specific for their assigned team, as well as all team treatments if necessary.**
- Works directly with the Team Physician(s) to determine when it is medically safe for an ill or injured athlete to return to athletic activity.
- 24-hour coverage which may include medical issues that occur overnight.
- Assist in training room and on field evaluation.
- Communicate daily with Team Physician(s) **and lead athletic trainers** in a concise, informative manner, on the status of injured and recuperating athletes.
- Maintain confidentiality of athlete injury information.
- Prepares athletic training room for use and maintains and insures safe operation of all athletic training equipment or modalities.
- Assist in coordinating the upkeep and inventory control of all sport medicine modalities and supplies used during the trip.
- Demonstrate poise and efficiency in stressful situations and works confidently in crisis or emergency situations.
- Demonstrate ability to prioritize and organize time; maintains physical environment in an effective, organized manner.
- Maintain proper documentation of all athletic injuries in concise, legible, and timely manner.
- Perform duties in an efficient and independent manner with minimal supervision.
- Attend staff meetings as scheduled.

Physical Demands and Working Conditions:

- Must be able to assist with or transfer athletes of various weight/heights
- Must be able to stand for long periods of time, have good mobility skills, and be able to walk long distances
- Must be able to carry athletic training kit
- Must use proper safety precautions in dealing with injured athletes
- Must possess a valid US Passport

Application Process:

All applicants wishing to support Team USA will submit an application online at www.maccabiusa.com. To supplement the application, please email the following items to maccabi@maccabiusa.com.

- Resume/CV
- Copy of State License (if applicable)
- Copy of BOC Certification
- Two professional references

- Copy of your Medical Malpractice Insurance (if applicable)
