## HERMON AND GOLAN

**FULL DAY TOUR**

A special trip that focuses on the highest and northernmost point in Israel- Mount Hermon. We will ride to the top in an open cable car, enjoy a spectacular observation and descend from it using "extreme" slides. After a little bit of rest, we will continue with a fascinating visit to an abandoned Syrian military post at the top of Mount Bentel and a wet water trail in the clear waters of Nahal Snir (Hasbani), one of the stormy tributaries of the Jordan River ... a day full of great activities!

## GALILEE PANHANDLE AND THE JORDAN RIVER

**FULL DAY TOUR**

One of the most popular trips in the previous Maccabiah was to the Galilee Panhandle, the area with the biggest number of nature reserves and interest sites in the country.

We will start the day with a visit to "Dan" nature reserve which uniquely combines ancient architecture, green vegetation, and abundant water sources ... we will have an "all you can eat" lunch that includes on-the-spot made pizzas and focaccias, and will finish the day with a crazy kayak adventure in the rushing water of the rivers that flow to the Jordan river....OH YEAH!

## PLENTY OF WATER AT THE HOTTEST SPOT IN THE COUNTRY!

**FULL DAY TOUR**

Hidden at the heart of the Jezreel Valley, where the Samaria ends and the Galilee begins, we will find the beautiful Gan Hashlosha (also commonly known as the "Sahne"). You can lose track of time enjoying a good rest, bath in the natural springs, play ball games and of course, enjoy a nourishing delicious lunch.

## SEA AND DESERT, SIDE BY SIDE

**FULL DAY TOUR**

A fascinating trip that combines a visit to the magical greeneries of Ein Gedi Reserve where we can admire the richness of nature and the living creatures at the heart of the desert - as well as floating in the near by dead sea - the lowest place on earth with one of the galaxy's most unique scenery.
