

## **Nurses**

**Experience:** Registered Nursing degree with professional experience in youth, high school, collegiate, or professional athletics. License to practice nursing without limitations.

**The Role:** The Nurse is responsible for the evaluation, care and treatment of all Medical conditions which occur to any Maccabi USA delegation member surrounding any international event. The Team Nurses work in direct partnership with the Team Doctors as a member of the medical team.

Additionally, it is the expectation that the Nurses will see themselves as a member of the Team USA delegation, willing to participate in activities beyond athletic training responsibilities. Must be willing to work as a team player, along with coaches and team managers, while understanding the fluid nature of an international athletic competition. Must possess the ability to adjust plans while maintaining a high level of flexibility.

### **Responsibilities:**

- Prevent, evaluate, and treat medical conditions while insuring comfort and safety.
- Triage and treat injuries and illnesses within the Maccabi USA delegation.
- Prepare rehabilitation plan for injured athletes and schedules treatment times with Athletic Trainers.
- Work directly with the physicians to determine when it is medically safe for an ill or injured athlete to return to athletic activity.
- 24-hour coverage which may include medical issues that occur overnight.
- Assist in training room or on the field as needed.
- Communicate daily with medical team in a concise, informative manner, on the status of injured, ill, and recuperating athletes.
- Maintain confidentiality of illness information.
- Assist in coordinating the upkeep and inventory control of all medical supplies used during the trip.
- Demonstrate poise and efficiency in stressful situations and works confidently in crisis or emergency situations.
- Demonstrate ability to prioritize and organize time; maintains physical environment in an effective, organized manner.
- Maintain proper documentation of all athletic injuries/illnesses in concise, legible, and timely manner.
- Perform duties in an efficient and independent manner with minimal supervision.
- Attend staff meetings as scheduled.

### **Physical Demands and Working Conditions:**

- Must be able to assist with or transfer athletes of various weight/heights
- Must be able to stand for long periods of time, have good mobility skills, and be able to walk long distances
- Must be able to carry training kit

- Must use proper safety precautions in dealing with injured/ill athletes
- Must possess a valid US Passport
