

## **Unsubsidized Athletic Trainer Maccabi USA**

**Experience:** Bachelor's degree with professional experience in youth athletics. Certified by the National Athletic Trainers' Association Board of Certification (NATABOC)

**The Role:** The Athletic Trainer is responsible for the prevention and care of athletic injuries; the maintenance of the health and well-being; and the recuperation and rehabilitation following injury of all members of the specific sport assigned for Team USA participating at the Maccabiah Games in Israel. The Athletic Trainer works in direct partnership with the Overall Team Doctor as a member of the medical team.

Additionally, it is the expectation that the Athletic Trainer will see themselves as a member of the greater USA delegation, willing to participate in activities beyond athletic training responsibilities. Must be willing to work as a team player, along with coaches and team managers, while understanding the fluid nature of an international athletic competition. Must possess the ability to adjust plans while maintaining a high level of flexibility.

This is a volunteer position. Athletic Trainers must pay or raise a \$2,000 contribution towards the trip. This is a 3-week commitment July 2025. Included: round trip international airfare, full room and board, apparel, registration, insurance.

### **Responsibilities:**

- Prevents, evaluates and treats athletic injuries while insuring comfort and safety
- Prepares athletes for activity with stretching, preventative taping and bandaging techniques
- Prepares rehabilitation plan for injured athletes and schedules treatment times. Times can be specific for their assigned team, as well as all team treatments if necessary.
- Works directly with the Team Doctor to determine when it is medically safe for an ill or injured athlete to return to athletic activity
- Physically present in the athletic training room or on the field or court when sports are taking place
- Communicates daily with team doctors and lead athletic trainers in a concise, informative manner, on the status of injured and recuperating athletes
- Maintains confidentiality of athlete injury information
- Prepares athletic training room for use and maintains and insures safe operation of all athletic training equipment or modalities

- Assists in coordinating, the upkeep and inventory control of all sports medicine modalities and supplies used during the trip
- Demonstrates poise and efficiency in stressful situations and works confidently in crisis or emergency situations
- Demonstrates ability to prioritize and organize time; maintains physical environment in an effective, organized manner
- Maintains proper documentation of all athletic injuries in concise, legible and timely manner
- Performs duties in an efficient and independent manner with minimal supervision
- Attends staff meetings as scheduled

**Physical Demands and Working Conditions:**

- Must be able to assist with or transfer athletes of various weight/heights
- Must be able to stand for long periods of time, have good mobility skills and be able to walk long distances
- Must be able to carry training kit
- Must use proper safety precautions in dealing with injured athletes
- Must possess a valid US Passport

**Application Process:**

All applicants wishing to support Maccabi USA will submit an application online. To supplement the application, please email the following items to [maccabi@maccabiusa.com](mailto:maccabi@maccabiusa.com).
