

MaccabiUSA Volleyball Selection Criteria

Open Indoor Men's & Women's Volleyball

For the 2025 Maccabi Games, every effort will be made to generate the minimum number of applicants in order to hold an in-person tryout. In the event that minimum number is not met, recommendations for roster appointments to Open Men's & Women's Indoor volleyball teams will be made by coaches, with approval of the team chairperson(s). Roster size is limited to 12 athletes per team.

Coach's review and evaluation of applicants will include, but not be limited to:

- Phone conversations
- Video review
 - Full game footage is preferred, though highlight clips are acceptable
 - Video clips showing all skills are strongly recommended, specific to the athlete's position
 - For example: an Outside Hitter should share video showing them serving, hitting, blocking, passing, and defending; a DS/Libero should share video showing them passing, defending, serving and setting out of system (i.e, when the setter has played the first ball)
 - Conversations with the athlete's coach (or multiple coaches), with consent of the applicant

Once a recommendation for appointment has been made by the coach, the appointment will be reviewed by the team's chairperson(s), and the Maccabi USA office will send out notification to the athlete and their family.
