

2025 Maccabiah Honorary Chair Program

Now more than ever is a time to show your pride in being Jewish. Even if you cannot compete in these games, you can join those who are making this possible for others. Stand up and be counted as one of those who won't be silent as antisemitism continues to emerge in Israel and around the world. To show our thanks, we are recognizing supporters who give at least \$50,000 during this Maccabiah Cycle (2023-2025) as 'Honorary Chairs' and entitling them to receive the following:
