

LA Golf Outing 'Beat the Maccabee' Format and Rules

Length: 9 Holes

Start: Shotgun

Waves: 2 Groups of Golfers

- There are 2 waves of golfers, one starting in the AM and one around Noon
- Lunch: Both waves eat lunch together—after Wave 1 concludes and before Wave 2 tees off
- Each Wave has its own winners; they will not compete against each other

Format:

- **Team (Foursome) Championship:** All registered golfers compete
 - Shamble – lowest score wins
- **Individual 'Beat the Maccabee' Championship:** Anyone who purchases at least 5 'Beat the Maccabee' raffle tickets will also be competing simultaneously for this individual title and the chance to win a 'Golf Trip for 2'
 - 'Maccabees' are Maccabi USA alumni golfers
 - The individual golfer who beats the most Maccabees in a series of 5 closest-to-pin contests wins the title
 - Maccabees will be stationed at 5 of the 9 holes around the course ('contest holes')
 - On contest holes, before anyone tees off, each golfer who wants to participate in the closest-to-pin challenge against the Maccabee must declare their challenge and give the Maccabee one of their raffle tickets
 - The Maccabee will tee off first
 - All golfers then tee off
 - Any golfer(s) who challenged the Maccabee, and whose tee shot comes to rest closer to the pin than the Maccabee, will get 1 point towards their 'Beat the Maccabee' score
 - Any tie goes to the golfer
 - If a golfer challenges the Maccabee and loses on the first try, they can issue a second challenge by giving the Maccabee a second raffle ticket, and then tee off again
 - In this scenario, the Maccabee does NOT tee off again (only the golfer)
 - If the golfer wins on the second try, they get 1 point towards their 'Beat the Maccabee' score
 - Note: The golfer can choose the better of the 2 tee shots to continue regular play afterwards
 - A max of 2 challenges can be issued to a Maccabee on each contest hole, and you cannot challenge a Maccabee a second time if you already won on the first attempt (i.e. you can only win a maximum of 1 point per contest hole)

- You can purchase 'Beat the Maccabee' raffle tickets ahead of time or on the course
- We suggest you buy a minimum of 5 raffle tickets to be able to challenge every Maccabee at least once, though 10 tickets gives you the best chance at a perfect score
- The golfer at the end of each wave with the highest 'Beat the Maccabee' score wins the title and proceeds to the 'Maccabee Showdown'
 - If multiple golfers are tied for the highest 'Beat the Maccabee' score, they all proceed to the 'Maccabee Showdown' where the winner will be decided
- **Maccabee Showdown** (winner gets a 'Golf Trip for 2')
 - The individual golfer(s) at the end of each wave with the highest 'Beat the Maccabee' score will go to Hole 8, where all 5 Maccabees will hit a tee shot
 - The golfer(s) will then hit a tee shot
 - If there is only 1 golfer in the Maccabee Showdown, they win a 'Golf Trip for 2' if their ball comes to rest closer to the pin than all 5 Maccabees
 - If multiple golfers participate, a golfer can win the 'Golf Trip for 2' only if their ball comes to rest closer to the pin than all 5 Maccabees and every other golfer
 - Only 1 'Golf Trip for 2' can be awarded per wave in the Maccabee Showdown, so in the unlikely event that golfers tie or both hit holes-in-one, they will tee off again (in this scenario, the Maccabees would NOT tee off again)
- **Hole-in-One Contest**
 - The first golfer to hit a hole-in-one in their Wave wins a 'Golf Trip for 2'
 - Only golfers who buy a minimum of 5 Beat the Maccabee raffle tickets before hitting the hole-in-one are eligible to win this prize
